

TSRC Club Meeting
April 15, 2021, 7pm via Zoom

Welcome and opening remarks from Ashley. Welcome guest speaker Paula!

Member Accomplishments & Things of Note:

Congrats to Sandy for completing 2 novice horse trials!
Diane and Hila attend the Patrick King clinic!

English Lesson Program

14 lessons scheduled in May
Cross Country school on the 28th at Red Gate, \$80/rider, Elementary - Novice

Reminder that schooling at Ashley's farm is available for club members! Just text/message/email with your dates/times and you are welcome to come.

XC Facility at TruLibery

The bank on the course has deteriorated to the point that it is no longer safe to use. The cost to repair is just under \$2,000. Motion by Elaine to spend \$1,500 to repair this jump as a support for this venue that we pay nothing to use. Second by Mary G & Hila W.

How would this affect the budget? Would this impact the cash balance?

Liz - the club currently has \$17,000 in the checking account. It has been a number of years since we have purchased poles/jumps etc. We do not budget for those things on an annual basis but when the need has arisen we do purchase them.

Lots of horses can use this bank in different ways. Trail riders, western, eventing etc.

Some of the standards were falling apart at the last JPR. Are we replacing those as well?

Vote: 21 yes, 1 no

Motion Passes - Ashley will reach out to Patty & John, they are booking for August.

English Camp

3 weeks, most likely starting low and moving up. Sharon and Woods again this year, 2 groups each day. Limiting to 5 riders per group instead of 6. \$300 this year. Google form registration again this year. You can mail a check as well instead of PayPal. Please mail to Liz - address will be up. June 7-10 is week one. Google form will be posted on the website.

Presentation - What to see when you are looking to buy a horse

Western

Western camp is next week, its full and we are excited!
Lessons are scheduling for May.

JPR

Ride is July 10 at Camp Highroad.

We still need someone to help with volunteers day-of the event. Lots of wonderful folks stepping up to help with the committees. Liz is sending out the list again for help needed.

We still need a publicity person, we do not have one. Diane can help but we need someone to lead this effort.

Google doc is getting finalized and up on website and we should be ready to start taking registrations. Date is confirmed with Highroad.

Treasury Report

\$17,165 in the checking account. No major expenses, trainers, facilities.
Lessons and renews are income. SmugMug - you can buy the photos, they are spectacular, thank you Pat! He will be at the JPR this year again taking pictures!

Question about using Zelle to pay. Bank of Charles Town uses PopMoney not Zelle. If there is an interest Liz can explore that. Venmo?

Membership is around 100 for this year. Usually this is when we see renewals for camp.

Congrats #7 Mary for winning our lesson!
