

Briar Creek Farm Information

For those in the groundwork lesson - here is some additional info

Location: Briar Creek Farm (Indoor Arena)

Trailer Parking: Available: We will direct you upon arrival. If you see other trailers parked on the grass by the round pen and XC jumping logs, just park parallel to them. If the ground is crazy wet/deep mud we will direct you to parking around barn parking lot so no one gets stuck. We have plenty of parking.

Helmets are required per TSRC.

Items to bring:

1- Rope halter and lead (if you have one, if you need to make arrangements to borrow one just let Suzanne know)

2- Bridle with snaffle bit (gentle/soft bit)

3- Copy of your coggins. (or you can email in advance)

4- Signed Briar Creek Farm Liability Waiver (or you can email in advance)
